

EVENT SPONSORSHIP

FIVE DAY EVENT INSPIRING INDUSTRY & RESEARCH COLLABORATION

THREE DAY CONFERENCE | TWO DAY WORKSHOP

HOST: Curtin University
DATE: 17-21 June 2019
VENUE: Hyatt Regency Perth

This annual research training event aims to strengthen mathematical optimisation research engagement and its applications across industry.

AMSI Optimise will comprise a three day industry-focused conference, followed by a two day research workshop. The event features international guest speakers, expert and end-user talks, tutorials, collaboration showcases and industry challenge sessions.

AMSI Optimise is aimed at:

- industry practitioners interested in exploring the benefits of and engagement with optimisation research
- postgraduate students and academics wanting to better understand industry drivers and needs in this area.

The **Australian Mathematical Sciences Institute** (AMSI) is a not-for-profit organisation, coordinating programs to address and protect the health of Australia’s mathematical sciences pipeline.

AMSI Optimise 2019 will develop:

MATHEMATICAL SKILLS

NATIONAL NETWORKS

EMPLOYABILITY

INDUSTRY CONNECTION

Support from sponsors is critical to foster the collaboration between peak industry professionals and the academic community. As a sponsor, you will gain brand exposure through acknowledgement in AMSI’s business publications and across all of our websites, increasing your profile and creating brand awareness.
